You will hear different stories about AMAZINGLY BROWN children loving and caring for each other. Make sure you listen to the stories carefully! If you answer the questions correctly, you will win a prize! After, you will color the blank cards as close as you can to the colored cards.”</i></p> <p>Give each child Cards #1 and Cards #2 (one BW and one Colored of each). Before instructing them to color, read the story in the guide associated with each card and ask the reading comprehension questions. Ask children to raise their hands if they know the answer and call on them individually to answer. Reward children with small prizes (i.e. stickers) for correct answers. For additional questions that ensure everyone gets a prize, ask each child to name one of their different AMAZINGLY BROWN friends or ways they can be kind to their friends.</p> <p>Note to parent/teacher: If you notice children do not have Amazingly Brown friends, reward them for stating ways to be kind.
